

THE QUALITY OF EXPERIENCE ON INDUSTRIAL SERVICE

BELT CONVEYOR

The Company Zanin F.IIi was founded in 1956.

We specialise in the production of complete systems for cleaning, drying, handling and storing cereals.

Our Company rapidly grew to gain a position of excellence on the international market, backed by its values: constant commitment to innovation, client assistance, flexibility, enhancement of human resources and competitiveness.

Zanin F.IIi provides the agro-food industry with its relentless research and virtuous, continual personnel training.

In this way we have developed very high specialisation and a total quality process with TÜV SÜD certification.

All Zanin F.IIi products therefore guarantee constant results and increasingly better performance.
