

**ZANIN F.LLI**  
**DESIGNES AND REALIZES**  
**MACHINES AND SYSTEMS**  
**FOR AGRO-INDUSTRY**  
**AND INDUSTRY IN GENERAL.**

The ZANIN F.LLI has been founded in 1956 and is specialized in the construction of complete plants, improving the construction of complete cleaning systems, drying, handling and storage of cereals. Through our experience, quality and reliability, as well as the constant development of our products and our excellent customer service, we have achieved a very high reputation in the domestic and international market. The company ZANIN, always serving the agricultural industry, continues to invest in the education and training of their employees. In this way we were able to develop a very high competence and the quality process has been also successfully certified by TÜV SÜD. The products ZANIN guarantee a constant performance and always best efficiency.
